IDW PUBLISHING IN JULY

IDWORDS

Deep and groovy ruminations from IDW's Man of Marketing, Dirk Wood

THE KIDS ARE ALRIGHT!

Comments, questions, suggestions, complaints, gripes, etc., are appreciated. Letters@idwpublishing.com or IDWords, 5080 Santa Fe Street, San Diego, CA 92109. Join our message boards at idwpublishing.com.

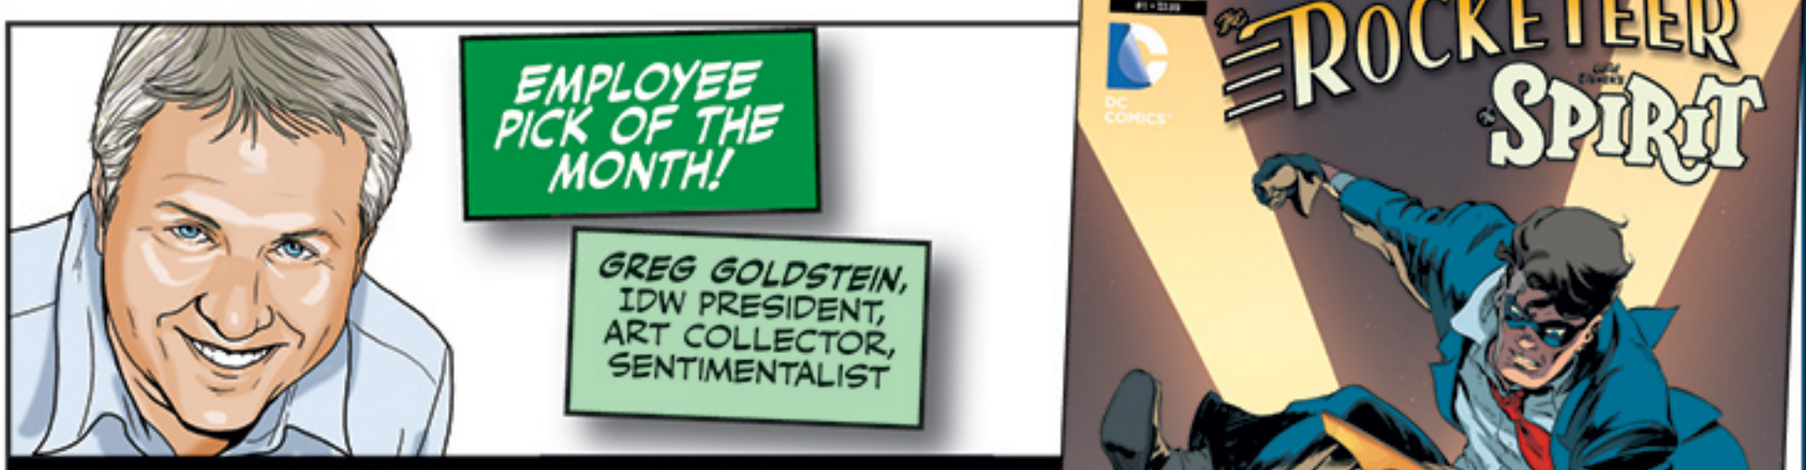

When I was a kid, I learned to read the best way you can, with comic books! And look at me now! I make a living… selling comic books. Okay, maybe not the best example.

But, my point remains! Comics are good for kids! A wise man once said "The difference between a good comic store, and a GREAT comic store, is the kid's section." Well, we here at IDW think that's true! And this July, we're taking over your kids' sections with *Teenage Mutant Ninja Turtles New Animated Adventures*, straight off your televisions and onto the shelves!

And not only that, but July sees the launch of a new digest-sized *My Little Pony*! All the ponies you can fit in your pocket! But don't think we're done. Just wait until this fall, the kids' comics revolution will be upon us! *Powerpuff Girls, Samurai Jack, Ben 10, Mr. Peabody & Sherman, Rocky & Bullwinkle…* There's an IDW-sized avalanche of kids' comics headed your way!

Teach your children well! With comics!

-Dirk

THE ROCKETEER/THE SPIRIT #1

"When I was kid, summer reading meant big event comic books like annuals and crossovers (*Earth 2*, anyone?). So, my big wish for this summer, I wanted to see a mash-up between two of my all-time favorite characters and thanks to the stellar IDW editorial team and our good friends at DC, wish granted! *Will Eisner's The Spirit* and *Dave Stevens' The Rocketeer* are joining forces in The *Rocketeer/The Spirit: Pulp Friction*! Wait until you see what **Mark Waid** and **Paul Smith** have in store for this one, it's going to be the sneak hit of the year."
